Dear Ms. Brooks:

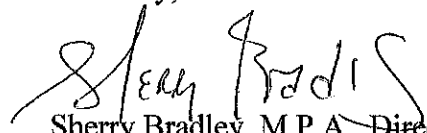

This is a request for information made pursuant to The Freedom of Information Act. I am requesting the disclosure, in electronic format, of any and all records, reports, supporting documentation, communications, correspondence, including emails, pertaining to EPA Grant No. XP83329401-3, which was awarded to the Alabama Center for Rural Enterprise to develop a master plan to address the need for access to sanitation services in Lowndes County, Alabama.

If you decide to withhold any requested records, please do not deny the entire request and release the information available under the law. If you cannot fulfill certain parts of the request or certain portions must be redacted, please provide any reasonable segregable portion of the requested records after removing or redacting those portions claimed to be exempt.

I am making this request on behalf of the Alabama Department of Public Health, the Alabama agency responsible for the supervision, control, and enforcement of the public health laws of Alabama. The records disclosed pursuant to this request will be used in preparation for community outreach programs in Lowndes County, Alabama. Accordingly, I request that you waive all fees in the public interest because the disclosure of information sought by this request will primarily benefit the public and is likely to contribute significantly to public understanding of the operations and activities of the government.

If you have any questions about this request, please do not hesitate to contact me at Sherry.Bradley@adph.state.al.us or by phone at (334)-206-5373.

Sincerely,

Sherry Bradley, M.P.A., Director
Bureau of Environmental Services,
